The Operators shall retain all records for at least three (3) years and make all records available for audit and inspection by state or federal agencies. In the event that the Operators are authorized to exercise rights under § 351 of the Bankruptcy Code, the State may arrange for the preservation of records at its expense.

5.14.2 The Operators accept sole responsibility for the payment of contractors used during the Agreement period and are responsible for all performance requirements of the contractor. Subject to the requirements of the Bankruptcy Code and any Bankruptcy Court orders affecting the receipt or use of assets subject to liens of pre-petition creditors of the Operator, including orders permitting the use of cash collateral, the Operators shall honor all leases, mortgages, and secured transactions involving the building in which the Designated Space is located and all goods and fixtures in the building of which the Operators have taken possession.

the Bankruptcy Court, no replacement or other liens relating to collateral of any pre- or post-petition lender or other person shall attach to the segregated account or any deposits therein and any existing liens, claims, interests and third-party encumbrances associated with such existing segregated account shall be deemed terminated and of no force of effect. Notwithstanding any prior order of the Bankruptcy Court relating to the operator's cash management system and use of cash collateral, during the term of this Agreement, the Operators shall not:

5.15.1 Co-mingle the funds received as compensation under this Agreement with any other funds of the Operators or any affiliates of the operators.

5.15.2 Loan or advance any funds received as Compensation under this Agreement to any affiliate.

5.15.3 Utilize funds received as Compensation under this Agreement to contract with any entity in which the Operator has an ownership interest, in which the Operators serve as an officer or director, or in which an immediate family member has an ownership interest or serves as an officer or director.

5.15.4 Utilize funds received as Compensation under this Agreement to make any capital investments in the facility without the prior written approval of the CDPH project representative.

5.15.5 Upon expiration of this Agreement, and the satisfaction of Operators' obligations under section 5.6 arising in connection with the Agreement, including payment of all costs and obligations incurred in providing the services contemplated by this Agreement, the constraints under this section, 5.15, on Operator's use of funds received as Compensation, shall immediately terminate and be of no further force and effect.

Reporting on Facility Status.

5.16 If the State determines that it is necessary, for public health purposes, to receive daily census reports from the Operators, then the Operators shall provide to the State a daily census of all patients in the Designated Space, as well as all other COVID-19 patients housed outside of the Designated Space. Such census shall include the location and level of care of each patient in the Hospital, along with indication as to whether the patient has been officially diagnosed as being infected with COVID-19, or whether the patient is suspected of being infected with COVID-19.

5.17 The Operators shall, within 30 calendar days of the signing of this Agreement and then every subsequent month by the 25th of the month, report to the State in writing the following:

5.19 As requested by the State, the Operators shall also provide projections of changes in utilization and expected discharges from the Designated Space.

Confidentiality and Records.

5.20 The Operators shall maintain the confidentiality of all patient information received in accordance with applicable State and Federal law, including the Health Insurance Portability and Accountability Act (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH), and, except as permitted by such laws, the Operators shall not discuss, transmit, or narrate in any manner any patient information of a personal, medical, or other nature except as a necessary part of providing services to the patient or otherwise fulfilling its obligations under this Agreement or under law.

5.21 At all times during the term of this Agreement, and in accordance with all applicable State and Federal Law, the Operators shall allow the State and its representatives to inspect (upon reasonable prior notice and during normal business hours) and to make copies of, all books and records and supporting material relating to the operation of the Designated Space. These records include, but are not limited to, records relating to all bank deposits and disbursements and cash receipts.

5.22 The Operators agree to retain such books, records, and other materials comprising records of the Designated Space’s operations, including, but not limited to, patient records, to the extent required by law or in accordance with any applicable Bankruptcy Court order. If the Operators wish to dispose of or destroy such books and records prior to any legally mandated retention period, the Operators must first notify the State project representative and provide the State an opportunity to make alternative arrangements to maintain or preserve the records.

Hospital or Designated Space Closure.

5.23 The Hospital or Designated Space shall only close during the term of this Agreement if agreed to in writing by the State. In the unexpected event of a Designated Space or Hospital closure, and subject to Bankruptcy law, the Operators shall:

5.23.1 Ensure compliance with applicable requirements of the California Health and Safety Code, unless otherwise waived or in accordance with any applicable Bankruptcy Court order.

5.23.2 Ensure that all prescription medications are returned to the pharmacy and that all medical devices and supplies are returned to any lessor.

5.23.3 Obtain written approval from the CDPH project representative prior to removing any material property from the Hospital.

6. Fiscal Requirements and Accounting.

6.1 Throughout the entire period of this Agreement, the Operators shall submit to the State project representative MORs. Operators agree to also provide financial and operational information reasonably requested by the State.

6.2 Without limiting Operators’ rights under Bankruptcy law, including § 351 of the Bankruptcy Code, the Operators agree to maintain for three (3) years after termination of this Agreement, all books, records, documents, and other evidence, including those related to accounting procedures and practices, sufficient to properly reflect all direct and indirect costs of the Project,
claimed pursuant to this Agreement. These records are to be maintained for review and audit purposes. In the event that the Operators are authorized to exercise rights under § 351, the State may arrange for the preservation or records at its expense.

7. **Access to the Designated Space and State’s Option to Control Admissions into the Designated Space.**

7.1 The Operators shall allow the State and its representatives to enter the Designated Space, or any other location in the Hospital where COVID-19 patients are housed or being treated, at any time for the purpose of monitoring patient safety, subject to reasonable restrictions for overriding health and safety of the patients and applicable laws.

8. **The State’s Responsibilities.**

8.1 The State agrees to provide the following services:

8.1.1 Review and provide feedback on all reports within ten (10) business days of receipt unless indicated otherwise.

This section shall apply to Operators or any successor Operators of the Hospital. Operators shall immediately submit a request under California Health and Safety Code § 130062(d) and (f) to the Office of Statewide Health Planning and Development ("OSHPD"). OSHPD shall promptly process such request.

8.1.4 Support Operators’ request that the California Attorney General complete the Review Period in an expedited manner.
Exhibit B
Budget Detail and Payment Provisions

1. Operators’ Right to Separately Seek Reimbursement From Health Insurance or Health Plan Payors.

   1.1 Except for the Compensation set forth in Paragraph 2.1 of this Exhibit A to the Agreement, the State will not reimburse the Operators any costs incurred in providing services under this Agreement. The Operators shall instead submit bills to and collect from the applicable health insurance or health plan payor (such as Medicare, Medi-Cal, private health insurance companies, or employer-sponsored health plans) reimbursement for items and services provided by Operators to patients, including those patients receiving Emergency Facility Services under this Agreement. Any revenue received by Seton Medical Center as a result of these efforts shall be the sole property of the Operators.

   1.2 The State shall not be responsible for the cost or reimbursement of any items and services provided by Operators to uninsured patients. Nor shall the State be responsible for the costs or reimbursement of any patient care that is otherwise not covered by a health insurance or health plan payor.

   1.3 Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with section 927 (the “California Prompt Payment Law”), except as otherwise set forth in this Agreement.

2. Compensation & Invoicing.

   2.1 Compensation for Operators’ services under this Agreement shall be:

   2.1.1 Five Million dollars ($5,000,000.00) for the first month of this agreement. The State shall pay this amount within three business days of entry of an order by the Bankruptcy Court approving this Agreement.

   2.1.2 For the second month, and all subsequent one-month periods under this Agreement, compensation shall be $2,700,000 (the “Base Payment”), plus ($38,333.33 x the average patient bed census for COVID-19 patients for the month that exceeds 177 beds) (the “Census Payment”), up to a maximum monthly amount of Five Million dollars ($5,000,000.00) per month. The Census Payment shall be made five (5) days after delivery of the monthly report referred to in 2.1.4.

   2.1.2.1 For example, if the average daily patient bed census for COVID-19 patients for the third month of the Agreement was 177 occupied beds, the Compensation for that month would be $2,700,000.

   2.1.2.2 As another example, if the average daily patient bed census for COVID-19 patients for the third month of the Agreement was 200 occupied beds, the Base Payment plus Census Payment for that month would be $2,700,000 + ($38,333.33 x 23 beds), which equals $3,581,666.67 total Compensation for the third month.

   2.1.2.3 If the average daily patient bed census for COVID-19 patients is at or exceeds 237 occupied beds in a given month during the pendency of this Agreement, the Base Payment plus Census Payment shall not exceed the total maximum monthly Compensation of $5,000,000.
2.1.3.4 The State shall advance the second month’s Base Payment amount of $2,700,000 to the Operators within six business days of entry of an order by the Bankruptcy Court approving this Agreement.

2.1.4 This is the only compensation owed to Operators by the State under this Agreement. The State is not responsible for any other costs or expenses incurred by Operators in operating the Hospital or the Designated Space.

2.1.5 On or before the 65th day after execution of this Agreement, or as soon thereafter as practicable, Operator shall provide a Census Payment reconciliation report to CDPH reconciling the Census Payment for the second month. Thereafter, Operator shall provide a Census Payment reconciliation report to CDPH five (5) business days after the end of the month.

2.2 Operators shall invoice the State not fewer than five business days in advance of payment due.

2.3 Each invoice shall contain the following:

Agreement # 19-11031
Attention: Jen Hill
California Department of Public Health
Center for Health Care Quality, Licensing and Certification Program
MS 3202
1616 Capitol Avenue
Sacramento, CA 95814

2.4 Nothing in this Agreement shall preclude or interfere with Operators’ invoicing or collecting from Medicare, Medicaid, or other government and private third party payors for patient services in the ordinary course of the operation of the Seton Medical Center.

Additional Provisions

1. Assignment.

1.1 This Agreement may not be assigned, absent the State’s written consent via an amendment to this Agreement, which shall not be unreasonably withheld. In evaluating whether assignment is reasonable, the proposed assignee shall be required to provide adequate assurance to the State of its ability to perform all of Operator’s remaining obligations under this Agreement (a “Qualified Buyer”). In the event the Seton Medical Center is sold during the term of this Agreement and pursuant to a sale authorized by the Bankruptcy Court, the Qualified Buyer shall be obligated to perform all obligations under this Agreement without interruption of patient care. In the event of a sale of the Hospital described in this Paragraph, the State may condition its consent upon an agreed change in Compensation under the Agreement upon the effective date of buyer’s operations under new licenses.

1.2 Unless subcontracts were used in the operation of the Facility prior to the date of the Agreement, no subcontracts may be used in performance of the Operator’s duties without prior written approval from the State project representative unless otherwise provided for in Section 5.13. The Operators shall disclose the existence of any subcontracts currently in effect prior to seeking Bankruptcy Court approval for this Agreement. Except as provided above, Operators must request approval for a subcontract of this Agreement at least five (5) days before the effective date of the subcontract.

2. Dispute Resolution Process.

2.1 Any dispute concerning a question of fact arising under the terms of this contract that is not disposed of within ten (10) calendar days by the Operators and the State employees normally responsible for the administration of this contract shall be brought to the attention of the designated representative for the Operators and the Secretary of State (or designated representative) for joint resolution, and, if no joint resolution is reached, such dispute shall be resolved exclusively before the United States Bankruptcy Court for the Central District of California (the “Bankruptcy Court”). If the Bankruptcy Court does not have jurisdiction, or elects not to exercise jurisdiction, such dispute shall be resolved by another court in the State of California. The Parties hereby expressly waive any rights to a jury trial.

2.2 The State hereby waives sovereign immunity with respect to any dispute relating to this Agreement.

3. No Indemnification by the State.

3.1 The State shall not indemnify, defend, protect, or hold harmless the Operators from losses, attorneys’ fees, fines, judgments, or other liability for any action taken as Operators.

4. Conditions of Termination/Cancellation.

4.1 The State reserves the right to terminate this Agreement for material breach by Operators upon thirty (30) days written notice.

4.2 This Agreement shall terminate at 12:01 am on the 181st day after entry of an order by the Bankruptcy Court approving this Agreement, unless extended by the express mutual agreement of the Operators and the State.
4.3 Upon mutual agreement between the State and the Operators, this agreement shall be
terminated at any time.

4.4 During the Term of this Agreement, the Hospital shall not be closed without the written
consent of the State. If the State agrees in writing that the Hospital may close, upon such closure, when
all patients have been relocated and the Hospital has ceased operation this Agreement shall be
terminated.

5.1 This Agreement may be modified or amended in writing only, signed by the parties in
interest at the time of the modification. No waiver of any term, provision, or condition of this Agreement
in any one or more instances, shall be deemed to be or be construed as a further or continuing waiver
of any such term, provision, or condition of this Agreement. No failure to act shall be construed as a
waiver of any term, provision, condition, or right granted hereunder.

5.2 This Agreement is executed and intended to be performed in the State of California, its
interpretation and performance, the relationship between the parties, and any disputes arising from or
relating to any of the foregoing, shall be governed, construed, interpreted, and regulated under the
Laws of the State, without regard to principles of conflict of laws; provided however, that the State shall
waive and hereby expressly waives any rights to assert sovereign immunity with respect to matters
arising under or related to the parties performance under this Agreement.

5.3 This Agreement does not terminate any recorded mortgages, deeds of trust, or other
validly recorded liens affecting the Premises and any liens affecting the premises arising from entry of
orders by the Bankruptcy Court, whether or not recorded.

5.4 This Agreement shall not become effective until entry of an order of the Bankruptcy
Court, which includes the terms listed in 5.5, and which has not been stayed regardless of whether
such order is otherwise subject to an appeal. The Debtors shall seek waiver of the 14-day stay
concerning the order approving this Agreement, pursuant to Rule 6004(h) of the Federal Rules of
Bankruptcy Procedure.

5.5 This Agreement shall not become effective until entry of an order of the Bankruptcy
Court that includes the following terms:

The final version of the Proposed Order must be satisfactory to both parties.

The Court is exercising its jurisdiction over the Debtors' property pursuant to § 105(a),

§ 363(b), and § 363(f) of the Bankruptcy Code to authorize the Debtors to enter into the
Agreements as being a reasonable exercise of the Debtors' business judgment in response to
the humanitarian and commercial exigencies affecting the Debtors' estates, the communities in
which they operate or exist and the State;

From and after the execution of the Agreements, the automatic stay under § 362(a) of the
Bankruptcy Code, if and to the extent applicable, is hereby lifted with respect to the State's use
and enjoyment of the Debtors' property, and exercise of rights subject to the Agreements;

That the State's actions under the Executive Order N-25-20, and through the Agreements under
the facts of these Cases to obtain control or use of the Debtors' property are exempt from the
automatic stay as valid exercises of the State's police powers under § 362(b)(4) of the
Bankruptcy Code and otherwise not subject to the automatic stay under § 362(a);
Debtors will not seek a stay under § 105 of the Bankruptcy Code to enjoin any of the rights, privileges or benefits of, or provided to the State under the Agreements;

The Proposed Order, and the terms and conditions of the Agreements, are binding on the Debtors and their estates and shall be binding upon any trustee appointed under Chapter 11 or under Chapter 7 of the Bankruptcy Code, their estates and the Cases;

Neither the State nor any department or agency obtaining benefit from, or utilizing the Debtors' property, assume any obligation to any third party nor shall they be deemed to have any liability to any third party, including, without limitation, any of the Debtors' creditors, interest holders or parties in interest in the Debtors' Cases;

Unless a court of competent jurisdiction has determined that the State is in material breach of this Agreement, the rights conveyed to the State under the Agreements and the Proposed Order are inviolable, and not subject to alteration, interference or divestiture by any party, including, without limitation, any creditor, interest holder, or party in interest, in the Debtors' Cases, without regard to any liens, claims, encumbrances and/or interests those parties may assert, allege and/or possess, including, for the avoidance of doubt, any liens, claims, encumbrances and/or interests of the Prepetition Secured Creditors (as defined in the Cash Collateral Orders) under the Cash Collateral Orders (defined below);

The Agreements and the Proposed Order shall each survive any dismissal of the Cases, except as to the extent that either of the Agreements already have been terminated in accordance with their terms prior any such dismissal;

Nothing in the Agreements or the Proposed Order shall be deemed to be a waiver of the State's police powers;

The Debtors and the State may mutually agree to make non-material modifications to the Agreements from time to time without Court approval and to make material modifications pursuant to a stipulation and subsequent order thereon and may give notice of any material modifications by five (5) days' negative notice;

Except as may be expressly provided in the Proposed Order or the Agreements, nothing in the Proposed Order modifies the rights of the Prepetition Secured Creditors, the Debtors or the Official Committee of Unsecured Creditors with respect to the allocation of value or the any Challenge under the Final Order (I) Authorizing Postpetition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Lien and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, (V) Modifying Automatic Stay, and (VI) Granting Related Relief [Docket No. 409], the Final Order (A) Authorizing Continued Use of Cash Collateral (B) Granting Adequate Protection, (C) Modifying Automatic Stay and (D) Granting Related Relief [Docket No. 3022], the Final Order Approving Stipulation to (A) Amend Cash Collateral Agreement and Supplemental Cash Collateral Order, (B) Authorize Continued Use of Cash Collateral, (C) Grant Adequate Protection, (D) Modify Automatic Stay, and (E) Grant Related Relief Supplemental [Docket No. 3883], the Final Order Approving Stipulation to (A) Amend the First Amended Supplemental Cash Collateral Order, (B) Authorize Continued Use of Cash Collateral, (C) Grant Adequate Protection, (D) Modify Automatic Stay, and (E) Grant Related Relief [Docket No. 4028], and the Final Order Approving Stipulation to (A) Amend the Second Amended Supplemental Cash Collateral Order, (B) Authorize Continued Use of Cash Collateral, (C) Grant Adequate Protection, (D) Modify Automatic Stay, and (E) Grant Related Relief [Docket No.4187] (collectively, the "Cash Collateral Orders").
